SUMMARY

Computer Science undergraduate with hands-on experience in backend development, REST APIs, databases, and application development using Python, Java, C++, SQL, and FastAPI. Experienced in building and integrating software components and working in team-based development environments.

TECHNICAL SKILLS

Languages: C++, Java, Python, JavaScript, SQL, HTML5, CSS

Frameworks & Libraries: FastAPI, Flask, Streamlit, Pandas, NumPy, Scikit-learn, TensorFlow, PyTorch

Databases & Tools: SQLite, PostgreSQL, SQLAlchemy, Git, GitHub

Software Development: REST APIs, CRUD, OOP, DSA, Backend Development, Software Testing, Debugging

PROJECTS

RevOps CRM – Sales Workflow Automation Dashboard

Aug 2026

Python, FastAPI, SQLite, SQLAlchemy, Streamlit, Pandas

- Developed a database-driven CRM application with REST APIs and CRUD operations using Python, FastAPI, SQLite, and SQLAlchemy.
- Built a Streamlit interface for end-to-end data workflows and tested application functionality while debugging backend, database, and UI issues.

SwasthRakshak – AI-Powered Healthcare Assistance System

Sept 2025

Python, FastAPI, PostgreSQL, OpenAI, ElevenLabs

- Developed backend logic and API workflows using Python, FastAPI, and PostgreSQL to process text, voice, and image inputs.
- Integrated external APIs and backend services into an end-to-end application and debugged interactions between multiple components.

EXPERIENCE

Smart India Hackathon 2025 – SIH Participant

March 2025 – Dec 2025

- Worked with a cross-functional team to develop an AI-powered software solution integrated with WhatsApp, contributing to backend integration and application workflows.
- Helped translate requirements into software components and iterated on the solution with team members during development.

PR & Outreach Lead – UX Club, VIT Bhopal University

Jan 2025 – May 2026

- Coordinated with students, industry professionals, and technology speakers for technical events and outreach initiatives.
- Managed professional communication and represented the club in interactions with external professionals.

EDUCATION

Vellore Institute of Technology

Bhopal, MP

B.Tech in Computer Science and Engineering – CGPA: 8.25 – Sept 2023 – Present

CERTIFICATIONS

- AWS Certified Cloud Practitioner – Amazon Web Services
- Google IT Support Professional Certificate – Google
